

Windsor Real Estate Lawyers

Windsor Real Estate Lawyers - Our Real Estate Team is a recognized leader within the sale, purchase and development of real property, leasing transactions and real estate financing. We represent and advise clients in the development, construction and management of commercial and residential condominiums, residential rental projects, office buildings, shopping centers, retirement homes and hotels. Our clients include developers of commercial, residential, industrial and institutional real estate, domestic and international real property investors and providers of property management, construction services and financing.

We know the institutional, policy and political issues involved in implementing and structuring transactions including private-public partnerships (P3) for infrastructure. We have represented both public entities and private developers in such transactions.

We likewise assist clients in the procurement, infrastructure and financing planning making use of a multi-disciplinary approach, which enables our groups of lawyers to utilize all the resources existing within our very own company. We provide our clients various advice needed to be successful in real estate joint ventures and financings, syndications, reorganizations, financial workouts and environmental assessments.
