

Legal Services Windsor

Legal Services Windsor - With the large industry of entertainment in North America, there are various of companies such as writers, service providers, federal/provincial agencies, animation houses, banks, actors and directors.

We advise our numerous client's in the television and film industry on the subjects concerning distribution and co-production partners, tax credits and government funding, negotiations with broadcasters, banking transactions, union and guild issues, plus any other financing or production problems they might encounter.

In regards to location productions, we give suggestion regarding film tax credits and withholding tax, regulatory requirements and investment rules, along with likely issues connecting unions and guilds in the United States and Canada.

The main focal point of our team of lawyers concentrates on television, the new media and film industries. We work with and are accompanied by various groups comprising our Labour & Employment, Tax, and Intellectual Property groups. A unique perspective is developed by our head lawyer, who relies on his securities law and entertainment law experience to be able to provide our clients with brilliant suggestion concerning project-based and corporate funding.
